Dear Mr. Morris:

Re: Proposed Truck Scale Installation, Genwal Coal Company, Crandall Canyon Mine, ACT/015/032-93C, Folder #2, Emery County, Utah

Enclosed are two (2) copies of Genwal Coal Company's preliminary plans for PAP Amendment for the Crandall Canyon Mine in Emery County, Utah. This material is for your review, information and files. The Division is concerned about the proximity of the proposed scales to the forest development road and the potential for blocking public access. Please provide any written or verbal comments you may have on these plans as soon as possible.

If you have any questions or need additional information, please contact me or Wayne Western, Reclamation Engineer, at your earliest convenience.

Sincerely,

Daron R. Haddock  
Permit Supervisor
